Gift Aid is an easy way to help The Rainbow Centre maximise the value of your donation. If you are a UK taxpayer we can reclaim tax that you have paid from HM Revenue & Customs (HMRC) on its 'gross' equivalent. This means for every £1 you donate, we can currently claim 25 pence.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

In order to Gift Aid your donation you must tick the box below.

I want to Gift Aid my donation of £ and any donations I make in the future or have made in the past 4 years to The Rainbow Centre for Conductive Education Ltd.

Please notify the charity if you want to cancel this declaration, change your name or home address OR no longer pay sufficient tax on your income and/or capital gains. If you pay Income Tax at the higher additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

THE FOOTPRINT FUND

COULD YOUR MAKE A DIFFERENCE?

The Rainbow Centre for Conductive Education is a registered charity working with children with cerebral palsy and other motor disorders, and adults affected by long-term neurological conditions such as Parkinson's, Multiple Sclerosis, stroke or head injury across the South East. We offer a unique and vital service that makes a transformational impact to the lives of our children and adults as well as their families. Working in partnership with our families, we provide advice and support over what may be several years. We become an extension of the family.

The true cost of a 2.5 hour session is £124. Our service users pay a contribution towards their session cost of £23 for a child and £29.50 for an adult. As children progress towards school age many will increase to attend for 4-6 sessions a week or more. To expect any of our families to cover the true cost would be impossible, as many may be on a reduced/fixed income that simply would not allow them to pay the full session cost on an ongoing basis.

The Rainbow Centre has to fundraise the remaining £100 of the session cost. We are incredibly grateful for support from local individuals, companies, schools, social organisations and those who support our shops. However, as the number of people we support increases, bridging that gap is becoming a greater challenge.

To this end we have created The Footprint Fund. We want to give people the opportunity to make a donation that goes straight to the service delivery helping to cover the cost of sessions. We want people to be able to say "I paid for X sessions" to help someone learn to walk and talk.

WHO MIGHT DONATE?

Anyone can make a donation. This could be:

- A parent or partner marking a key developmental milestone.
- An individual with a family member or friend who has been affected by one of the disabilities we support and feels a connection.
- A parent whose child is leaving the Centre or has left to start school.
- Someone who just wants to make a difference to a vital charity in their area.

MAKE YOUR MARK

There are 7 donation levels available, ranging from £150 up to £1,000, and to mark your donation you will receive a personalised footprint to go on our Footprint Fund wall at the Centre displaying your special message, along with a pin badge for yourself as a further reminder of your support.

You can choose which size footprint you would like that could represent the following:
